

LWML South Dakota District – Convention Banner Information

The 2024 LWML Convention will be in Aberdeen South Dakota, June 7 & 8, 2024. The theme verse for the convention is *Though you have not seen him, you love him. Though you do not now see him, you believe in him and rejoice with joy that is inexpressible and filled with glory, obtaining the outcome of your faith, the salvation of your souls.* (1 Peter 1:8-9). Each zone is encouraged to bring their own banner to the convention to add color and meaning to the event. The host zone may use the convention logo. Other zones are encouraged to use their interpretation of the theme.

Banner specifications:

- Finished banner size is to be 3' x 5' - although added fringe may be longer.
- Zones can make quilt banners if they choose and donate them after the convention.
- Banners should be based on the convention theme: "Inexpressible Joy † Matchless Savior".
- Please display your Zone's name on the front of the banner. You may abbreviate your zone name and can use any size of letters you desire. In addition, to help the host committee identify your banner, please include a small tag with your zone name on the lower right on the backside of the banner.
- Place a ribbon that is at least 8 inches long about 8 inches from the bottom of the back of the banner which will be used to tie the banner to the pole and keep it from swinging.
- Please attach the banner to a 1" dowel with an eye hook screw on each end. Secure at least 8mm or quarter inch cording through each of the eye hook screws, laying the cord flat along the dowel and knotting it on the outside of each screw. Be sure to attach cord tightly as it will stretch as the banner hangs.
- Stands and poles for the banners are provided by the district and stored with the hosting zone.
- The banner committee will have some supplies on hand for repairs such as glue, pins, thread, needles, an iron, and an ironing board.
