

New Mite Box Design

Lutheran Women in Mission has a new Mite Box design. The new box design was created by Nichelle Dykema, Graphic and Digital Design Coordinator, incorporating the updated Lutheran Women in Mission logo and color scheme. A QR code on the back provides a link to an explanation of a mite, based on the biblical account of the widow's mite (Luke 21:1–4), the history of the LWML Mite Box, and offers a way to donate online.

The Mite Box is intended for regular contributions of “mites” — offerings above and beyond support given to congregations and the LCMS. For the past 80+ years, mite offerings have funded mission grants all around the world.

Over the years, Mite Boxes have changed in color and design, but Lutheran Women in Mission's dedication to collect offerings for the purpose of reaching out to others with the Good News of Jesus Christ has never changed.

In 2023, Milwaukee convention delegates approved a mission goal of \$2,350,000 and selected 31 grant recipients.
